

Platteville

Caregiver Support Group

Support Groups are:

- A place to find others who understand
- A place you can get resources
- A safe place to share how you feel
- A source of engagement, support, and comfort

This group is available for family, friends, and other caregivers in the community who are caring for a person with dementia, a chronic illness, or a disability

Third Thursday Each Month*
5:00pm
*subject to change

Platteville Public Library
225 W. Main St., Platteville WI
