Grant County ADRC Director's Report

June 2026

- May was a busy month with many events in honor of Older Americans Act Month. June is Alzheimer's & Brain Health Awareness Month. June 15th is also World Elder Abuse. The Courthouse dome will be lit up the week of June 15th in recognition of both June themes. The ADRC encourages you to wear purple on June 15th and June 20th to show your support.
- ADRC staff who time report have been attending time reporting workshops and double entering time reports as we prepare to move away from the excel workbook to the Peer Place database. This new process will officially start July 1.
- Senior Farmers Market voucher program started June 1. ADRC staff are visiting all meal sites and offering the vouchers. Eligible participants can receive \$25.00 in vouchers to be used at local farmers market stands through October. Can also apply at ADRC office.
- We will be gearing up for registrations for Elderfest. Elderfest 2026: Take Me Out to Elderfest! will be held October 23, from 9:00 to 11:30 a.m. at the Youth & Ag Building.
- Attended Aging Advocacy Day virtually. Working on messaging about ADRC needs for legislators. GWAAR's Advocacy Director, Janet Zander, retired the end of May. Janet as been a great asset for the ADRC and Aging Programs for many years. We wish her the best!
- The cooling center list was updated to reflect cooling center locations and times throughout Grant County just in time for the hot and humid weather. The list is shared with Emergency Management, Social Services, and the Health Department.
- The Nutrition Council met on June 2 and reviewed Dietary Guidelines, Food Temp Policy, 2025 data, and Wisconsin Advocacy Network materials.
