HIGHWAY COMMITTEE MEETING

April 16, 2026

The Highway Committee met on Thursday April 16, 2026 at 9:00 am, at the County Highway Department in Lancaster, WI., this meeting was also available via zoom.

Members present: Gary Northouse, Pat Schroeder, Roger Guthrie, Diane Nelson and Lester Jantzen. Diane Nelson as to be excused. Others present were Nate Dreckman, Bob Keeney, Steve Morgan, Trenton Wood, Donna Bohnenkamp, and Jason Kieler. Tonya White and Dallas Hall attended by zoom.

Chair Gary Northouse called the April 16th 2026 Highway Committee meeting to order.

Confirmation of the Open Meeting Law: Steve confirmed notice of the meeting was sent to the Herald Independent, Administration Building, posted at the Highway Department and on the Grant County web site.

Adoption of the Agenda: Lester Jantzen, seconded by Roger Guthrie made a motion to approve the April 19, 2026 agenda as printed. Motion carried without negative vote.

Approval of Minutes: Roger Guthrie, seconded by Gary Northouse made a motion to approve the minutes from the March 19th, 2026 meeting. Motion carried without negative vote.

Review Vouchers: Pat Schroeder, seconded by Lester Jantzen, made a motion to approve the March vouchers. Motion carried without negative vote.

Office Items: The February Requisition have been submitted to the State for \$219,784.14. The county accounts we also discussed. We are still waiting for an invoice from the City of Lancaster for the work on CTH A West project and the Patch Grove Salt Shed is nearing completion.

State Superintendent: State crews have been busy with winter maintenance activities, fixing guardrail from accidents and patching roads. The crew also washed the IA-WI bridge.

County Superintendent: County crews has been removing snow equipment, inventorying guardrail, and helping get the vehicles ready for the auction. They repaired a mud slide on Cth C and are inspecting and inventorying culverts within the County. Trenton also updated the committee on the CTH Q bridge project.

Shop Lead Worker: The shop has most of the GPS packages installed in the Patrol trucks. There are also 20 asset trackers installed on pickups and equipment. The shop is preparing old vehicles to be put on the auction. They are also working on tractors and mowers in preparation of mowing season.

Commissioner Report: Steve informed the committee we still have two Operator positions and Engineering position open at the Highway Department.

Steve discussed the County's Bridge Inspection/Management Program. He researched Engineering Companies to complete the inspections and enter into the State Program. Corre Engineering came in lowest for the program. Roger Guthrie, seconded by Lester Jantzen made a motion to approve Corre Engineering for our Bridge Management. Motion carried without negative vote.

Adjournment: Roger Guthrie, seconded by Diane Nelson made a motion to adjourn to Thursday May 21, 2026, at 9:00 am. Motion carried without negative vote.

Diane Nelson, Secretary
Donna Bohnenkamp, Recorder

Amendment

Amendment No: 1

MSA Project Number: 03405015
Date of Issuance: May 1, 2026

This is an amendment to the Agreement dated August 22, 2024 and does acknowledge that MSA Professional Services, Inc. (MSA) is authorized to begin work on the following project amendment:

MSA PROFESSIONAL SERVICES, INC (MSA)

Address: 1702 Pankratz Street, Madison, WI 53704

Phone: (608) 242-7779

Representative: Leah J. Rhodes

Email: lrhodes@msa-ps.com

GRANT COUNTY HIGHWAY DEPARTMENT (OWNER)

Address: 1011 N Adams Street, Lancaster, WI 53813

Phone: (608) 723-2595

Representative: Steve Morgan

Email: smorgan@co.grant.wi.gov

Project Name: CTH O Bridge Replacement over Platte River

The project scope has changed due to:

- The addition of TLE Acquisition Exhibits in accordance with the Manual.
- The addition of title searches.
- The addition of Real Estate Acquisition services.
- The addition of a Real Estate Kick-off meeting.
- The addition of 100 feet of road approach design beyond the original scope.
- The addition of an Approach Length Justification Report.
- The addition of DATCP/NRCS coordination due to real estate needs.
- The addition of coordination and documentation of a Broad Incidental Take Permit for the Blanchard Cricket Frog.
- The addition of WPDES Transportation Construction General Permit.
- Contract completion date adjustment to August 1, 2028

The scope of the work authorized is: See Attachment A: Scope of Services

The schedule to perform the work is: Approximate Start Date: 5/1/2026
Approximate Completion Date: 8/1/2028

The fee for the additional work covered under this amendment is:

MSA (lump sum fee):	\$44,739.12
Subconsultant, Tri-County Title Services, LLC (per unit):	\$1,750.00
Subconsultant, AJ Appraisal and Real Estate, LLC (per unit):	\$1,000.00
Subconsultant, Hicks Company (per unit):	\$600.00
Total:	\$48,089.12

All services shall be performed in accordance with the General Terms and Conditions of MSA, which are attached to the Agreement dated August 22, 2024. Any attachments or exhibits referenced in this Amendment are made part of this Agreement.

Approval: MSA shall commence work on this project in accordance with your written authorization. This authorization is acknowledged by signature of the authorized representatives

of the parties to this Amendment. A copy of this Amendment signed by the authorized representatives shall be returned for our files. If a signed copy of this Authorization is not received by MSA within seven days from the date of issuance, MSA may stop work on the project.

**ATTACHMENT A:
SCOPE OF SERVICES**

The following changes to the original Professional Services Agreement are included with this Amendment No: 1.

A. DESIGN REPORTS

Section A.(1) is revised to include the following:

- g. Approach Length Justification Report

Prepare an Approach Length Justification Report for road approaches exceeding 300 feet.

Section A.(2) is removed and replaced with the following:

- (2) The following reports are not anticipated and would be "Extra Services":
 - a. Proprietary Product Justification Report
 - b. Exception to Standards Report
 - c. Encroachment Report
 - d. Stormwater Report and/or Stormwater Spreadsheets

C. AGENCY COORDINATION

Sections C.(4) and (5) are removed and replaced with the following:

- (4) Department of Agriculture, Trade and Consumer Protection (DATCP)
 - a. Prepare an Agricultural Impact Notice (AIN) and submit in accordance with the MANUALS and DATCP guidance.
- (5) United States Department of Agriculture
 - a. Prepare form AD-1006 and submit to USDA Natural Resource Conservation Service in accordance with the MANUALS.

The following is added after Section C.(7):

- (8) Coordinate with the DNR and DOT and apply for the Broad Incidental Take Permit/Authorization for the Blanchard Cricket Frog.
- (9) Prepare the electronic stormwater Notice of Intent (NOI) using the DNR ePermitting website to provide for coverage under the Transportation Construction General Permit (TCGP).

F. MEETINGS

The following is added after Section F.(2):

- (3) Attend one real estate start-up meeting via telephone with the MUNICIPALITY and the DEPARTMENT, as scheduled by the DEPARTMENT.

I. ROAD PLANS

Section I.(2) is removed and replaced with the following:

- (2) Project length estimated to include up to 200 feet north and 200 feet south of the new bridge plus the structure length.

K. PLATS

Section K. is removed and replaced with the following:

- (1) Prepare up to two (2) Acquisition Exhibits in accordance with the MANUALS and WisDOT Guide to Utility Coordination.
 - a. Meet with the DEPARTMENT'S right of way plat unit to review the special provisions and MANUALS prior to starting the acquisition exhibits.
 - b. Locate and survey the necessary United States Public Land Survey System (USPLSS) section corners, quarter section corners, block corners and other corner monuments of record in platted areas for the preparation of acquisition plats, descriptions, or exhibits. It is estimated that two (2) corners need to be located.
 - c. Locate and survey existing property monuments from prior plats and surveys of record to support the determination of existing property, existing right of way lines and project alignments. Resetting or re-establishing missing corners is not included.
 - d. Prepare exhibits in accordance with the MANUALS using WISDOT provided Civil 3D file templates and related CAD components.
 - e. Provide an electronic file with unique point IDs of acquisition boundary points, found monuments, and USPLSS corners or monuments of record used to prepare the acquisition exhibits and descriptions.
 - f. Submit an 8 ½" x 11" or 11" x 17" portable document format (PDF), unless otherwise specified, in accordance with the MANUALS upon final approval.
 - g. Provide a utility exhibit in PDF format depicting utility facilities and interests in accordance with the MANUALS.
 - h. Submit the exhibit PROJECT DOCUMENTS in accordance with the MANUALS upon receiving final approval. Submit Civil 3D dwg and ACAD files in accordance with the data exchange and CADD standards and the MANUALS.
- (2) Title searches shall be made of the titles to all properties or premises through or over which a Right of Way for the PROJECT is to be acquired. The Title Search shall extend over and cover a minimum period of sixty (60) years or to the last

conveyance of record if more than sixty (60) years, and shall include a certificate to the MUNICIPALITY of all entries of record affecting the titles of the said properties or premises during such period. A copy of the last deed of record shall be included as part of the title report. All easements of record on purchased property shall be identified. All liens, mortgages, and tax records shall be identified. Up to five (5) title searches are included in this CONTRACT. There will be no ownership reports. Up to one (1) title search update per parcel is included, five (5) total.

N. PROSECUTION AND PROGRESS

Section N. is removed and replaced with the following:

- (1) The CONSULTANT proposes to sublet these services to
 - a. Subsurface Investigations to American Engineering Testing, Inc.
 - b. Title Searches to Tri-County Title Services, LLC
 - c. Project Sales Study to AJ Appraisal and Real Estate, LLC
 - d. Sales Study Review to Hicks Company
- (2) Contractor Data Packets are not required on local projects and would be “Extra Services”.
- (3) The following items of work will be completed and submitted to the MUNICIPALITY by the indicated dates, if CONSULTANT has received the Notice to Proceed by May 15, 2026.

Report Title	Date
Preliminary Road & Structure Plan	April 2026
Environmental Document	July 2026
Design Study Report	September 2026
90% Road & Structure Plans	June 1, 2027
Final Road & Structure Plans	August 1, 2027
Final P.S. & E.	August 1, 2027

- (4) The bid letting is expected to be on December 14, 2027 for construction in the year 2028. PS&E to Central Office is scheduled for August 1, 2027. Contract completion date will be August 1, 2028.
- (5) The CONTRACT shall be considered to be in full force and effect for the purposes of participation in the pre-construction conference as scheduled by the DEPARTMENT.

The following is added after Section N:

O. REAL ESTATE ACQUISITION

(1) Project Description

The project is funded with State funding and will be advertised and let by WisDOT. WisDOT oversight is anticipated. The new right of way will be acquired by and in the name of Grant County. The County will pass a Relocation Order to authorize acquisition of the new right of way interests. Construction is planned for the summer of 2028. New right of way interests will be required from three (3) parcels. One (1) Utility parcel release of rights has been included. New right of way acquisitions are assumed to be temporary easements only and non-complex. There will be no impacts to privately owned fences, signs, or other improvements. Negotiations for the parcel will be attempted through the Nominal Payment Process or appraisal waiver process. If agreements cannot be reached or condemnation is required, an appraisal report will be required. The cost of an appraisal is not included in this scope.

(2) Project Schedule

Project construction is planned to begin in summer 2028. Project PS&E date is scheduled for August 1, 2027.

(3) Real Estate Acquisition Scope of Services

The Real Estate Acquisition Services will follow the Federal Uniform Relocation Act and Wisconsin State Statutes. All work will be performed in accordance with generally accepted standards of the profession and requirements contained in the current WisDOT Real Estate Program Manual, Wisconsin Statute Chapter 32, and the Federal Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

(4) Project Preparation

- a. MSA will review the title and update(s) to determine correct ownership information.
- b. An Acquisition Capability Statement will be drafted for use by Grant County.
- c. MSA will create individual parcel folder(s) to function as the official record of documents and correspondence for each impacted property owner.
- d. The OWNER will approve and appropriately file a Relocation Order and right of way plat.
- e. MSA will prepare and mail an introduction letter along with the Property Owner's Rights brochure and information on the project, including:
 1. Staking schedule (staking completed by others).
 2. Contact information for the MSA project negotiator and subconsultant appraiser.

- f. Create parcel file and the property owner's packet of documents, commonly referred to as the offering price packet.

(5) Evaluation and Subconsultants

Determine values. The parcel is to receive a nominal offer.

- a. Aari Roberts of AJ Appraisal and Real Estate, LLC will prepare the Project Sales Study as a subconsultant to MSA.
- b. WisDOT requires a separate review appraiser for the Sales Study. Greg Hicks of Hicks Company will review the Project Sales Study.
- c. MSA will prepare the Nominal Payment Parcel Report (NPPR) for the project. This report will estimate the offering price compensation amounts for each parcel and will require approval by Grant County.
- d. The procedures for approving the Project Sales Study and NPPR will be coordinated with the OWNER.

(6) Negotiations

MSA will:

- a. Issue offering price packet to the property owner after the NPPR is approved.
- b. Provide follow-up and continued negotiation with property owners to answer questions regarding the information provided. One meeting is anticipated with each property owner as requested to address concerns. Meetings are expected to be held at or near the property area.
- c. When a negotiated agreement has been reached, a payment request will be provided to the OWNER. This request will include all pertinent documents including an IRS form W-9.
- d. Regular updates will be provided to keep the OWNER informed of the progress and any negotiation issues.
- e. If a negotiated settlement can't be reached using the nominal process, negotiations will cease. MSA will discuss the situation with the OWNER to determine the appropriate next step.

(7) Closing Transaction

- a. Prepare closing documents real estate tax proration and closing statement, if needed.
- b. When a negotiated settlement has been reached, a payment request will be provided to the OWNER. MSA will distribute the check to the property owner.
- c. Close the transaction with the property owner and provide payment along with copies of approved document(s).
- d. Record conveyance and other transaction documents with the County Register of Deeds via Simplifile.com.

(8) Project Close-out

- a. Parcel folder and file organization and clean-up.

- b. Complete the parcel negotiation diary and upload all certification documents into READs, as needed.
 - c. Completion and submittal of the Local Public Agency Right of Way Certification form, as needed.

- (9) Utility Parcel Release of Rights
 - a. Make a written request to the utility owner of any utility parcels identified on the right of way plat. The request will require completion of a conveyance of rights, quit claim deed, or temporary construction easement to be executed and return to MSA.
 - b. Additional emails and phone calls to the utility company to secure the release.

- (10) Project Management and Administration
 - a. Provide regular updates to the OWNER. Informed all parties of the progress and any negotiation issues.
 - b. General project and contract management duties.

- (11) Extra Services not included in scope of the base estimated costs:
 - a. Acquiring Agency Appraisal Report for negotiation purposes beyond the nominal process.
 - b. Appraisal Reports and Appraisal Review services.
 - c. Difficult negotiations with any property owner requiring more than one additional meeting.
 - d. Efforts to obtain mortgage releases or releases of any other title encumbrance.
 - e. Efforts to identify encroachments, issue revocable occupancy permits or removal letters.

- (12) Services and Other Information Provided by Client
 - a. Property owner contact information, if available.
 - b. Timely approvals of appraisal, offering price report, payment request, etc. OWNER approval of these items is critical to keeping the project on schedule and obtaining the parcels by the desired acquisition date.
 - c. Prepare Federal 1099-S Form for fee parcel if payment is greater than \$600, as required.
